About D7 Garments

Clothing defines your taste. The finer you wear the more sophisticated you are considered. It's the label that speaks high about you. Your glamour and charm is governed by the brand you're walking in and how you carry it. The confidence just boosts up as you go higher and higher in the clothing brand.

D7 is an international brand, internationally recognized for celebrating the essence of classic styles, featuring preppy with a twist designs.

Company delivers premium styling, quality and value to consumers worldwide under the different brand of **D7** with a wide range of collections for Men, Women and Kids.

Our Mission

Company aims to provide the widest collection of fashions to our customers. We focus on the best quality products which give customer satisfaction and value for money spent.

Our Vision

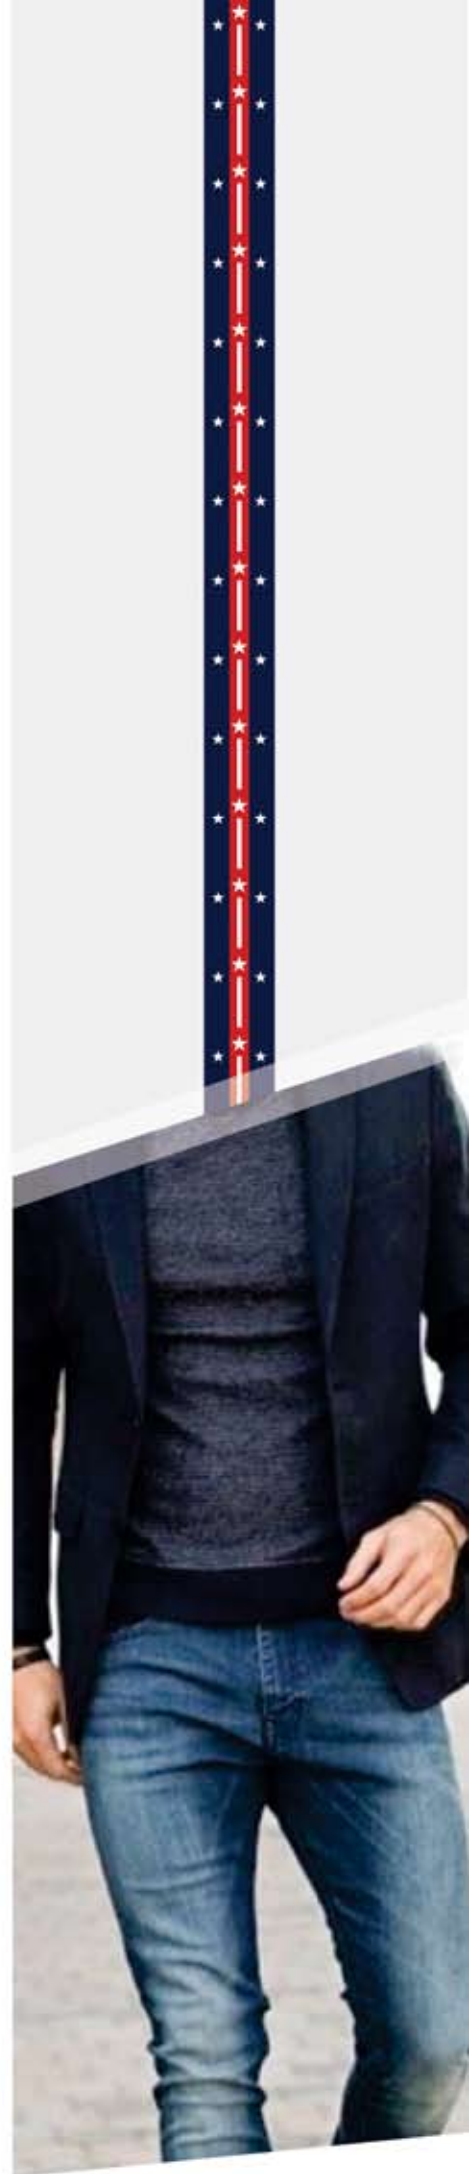

Our vision is to create fashion that opens minds and closes loops. Colony provides the customer an exclusive choice of fashion by providing a quicker turnover of new stock than other fashion retailers. We passionately put the customer first and pride ourselves on building mutually beneficial relationships while supporting and depending on one another.

Corporate Social Responsibility

D7 believes in its corporate social responsibility to be involved in issues such as respect for people, nature, communities and artistic heritage. When producing our products, we seek to do so in a way that respects and values our people, our planet, and the communities in which we live. We want you to love our products, not only because they fit your lifestyle, but also they fit your values as well.

MEN'S WINTER COLLECTION

THERMAL WEAR

- Merino Wool Thermals
- Cotton Thermals
- Wool Blend Thermals
- Thermal Combos

Pure wool or merino wool thermals are relatively thinner to accommodate under normal clothes. Pure wool is the ideal material for thermals as it is breathable meaning that if a man gets warm and sweaty, the moisture will be wicked away reducing the wetness and accompanying discomfort. Stay warm and comfortable in our collection of thermals. They are lightweight and minus the bulk. Wear just one layer or more.
